

VENOM FOOTBALL CLUB REFUND POLICY

Venom FC is an organization meant to provide an opportunity for San Juan County youth to play the game of soccer at a competitive level. Coaches and volunteers have absolute control (within the extent of club scheduling restrictions) as to selection of their practice times and days. Youth are typically assigned to teams and field insurance secured weeks in advance of practice and game field scheduling.

As such, once a child is registered, refunds will be at the sole discretion of the Board. There are **NO REFUNDS** for practice schedule conflicts, disagreement with coaching staff, or any other conflicts. Only in the event that a child cannot be placed upon a team due to lack of volunteers prior to the start of the season shall a full refund be provided. In the event that a player is suspended or expelled as a result of a discipline committee hearing there shall be **NO REFUND**. In the event of irreconcilable scheduling differences, as a last resort a member may request to be transferred to the recreational program of their respective town subject to the \$25.00 transfer fee and an additional \$45.00 processing fee to Venom FC.
